

Indiana Department of Natural Resources

Mitchell E. Daniels, Jr., Governor
Robert E. Carter, Jr., Director

Division of Entomology and Plant Pathology, 402 W. Washington St. Rm W 290, Indianapolis, IN 46204, (317) 232-4120

January 25, 2010

In accordance with Indiana Code 14-24-4-2, the Director of the Department of Natural Resources declares the following "infested areas" under the Emerald Ash Borer (Coleoptera: *Buprestidae*: *Agrilus planipennis*) Quarantine:

Blackford County; Brown County; **Cass County**; Delaware County; Columbia Township in Dubois County; Elkhart County; Floyd County; Grant County; Hamilton County; Harrison County; Jay County; Kosciusko County; Lawrence County; Marion County; Miami County; Monroe County; Orange County; Porter County; Randolph County; Ripley County; St. Joseph County; and Honey Creek Township in White County.

In accordance with 312 IAC 18-2-2(b) and 312 IAC 18-2-3 (under the authority of IC 14-24-4), the director of the Division of Entomology and Plant Pathology shall formulate a quarantine for the infested areas declared above. The infested areas declared above are quarantined per 312 IAC 18-3-18 "Control of emerald ash borer" and movement of regulated materials shall comply with the rule. The quarantine shall be in effect for ninety (90) days at which point the quarantine will be reviewed and amended as necessary per 312 IAC 18-2-4 (under the authority of IC 4-21.5-4).

The above infested areas add to and amend the quarantined areas stated in 312 IAC 18-3-18 and replace all prior declaration letters. The county in bold above is a new county added to the quarantine since prior declaration letters.

Robert E. Carter
Director, IDNR
